

Scheme Directory 2020

The complete list of
certificated members

The leading authority
in fire door safety

The companies contained in this directory are members of the BWF Fire Door Alliance Fire Door and Doorset Scheme.

The membership consists of certificated manufacturers and processors of fire door leaves, fire door blanks, fire door cores, and hardware. There are also suppliers of components and services used by certificated manufacturers and processors and distributors of CERTIFIRE Certificated hardware.

They have achieved independent third party certification for their fire door products. Third party certification comprises fire tests and verification of a fire door's design, performance, manufacturing process and quality assurance from the production of the door, doorset and/or components
