

# BWF Innovation in Design 2022

## Entry Form

Kindly Sponsored by

The BWF Innovation in Design Award recognises excellence in technical innovation, design and application in joinery product manufacture.

## Judging Criteria

---

**You can enter the BWF Innovation in Design Award for:**

- The company as a whole
- A product supplied by the company

**The Award will be judged against any of the following criteria:**

**Innovation** – A product that helps to showcase or extend the market for design and manufacture in wood.

**Design** - Overcoming particular technical performance, or process difficulties or exploiting new concepts to produce the desired joinery solution(s).

**Excellence & Achievement** – Evidence that the company has excelled in their technical application to reach a solution that exceeds the usual requirements and/or expectations of joinery product(s).

## Entry Requirements

---

**To enter complete this Award entry form and submit with the following information:**

- No more than 500 words about the initiative/company/individual that shows how the entry meets the judging criteria.
- Photographs and any applicable technical drawings. All photographs and/or drawings to be sent in a separate digital file – either JPEG or EPS format.

**It would be advantageous to also submit the following:**

- A reference from a client that is a recipient of the joinery product(s) put forward for its technical excellence/innovation.

## Entry Rules
